Career Objective

Focused on software and web development, aiming to create efficient, modern, and user-friendly applications that solve real-world problems.

Education

B.Tech in CSE (Cybersecurity, Blockchain, IoT) SRKR Engineering College, Bhimavaram, CGPA: 9.10/10	2023–2027
Board Of Secondary Education Andhra Pradesh Sri Chaitanya Intermediate College, Razole, 96.80%	2021–2023
Secondary School Certificate Nalanda (EM) Public School, Percentage: 100%	2019–2021

Technical Skills

Languages: Java, JavaScript

Frontend: HTML, CSS, React.js, Tailwind CSS

Backend: Node.js, Express.js

Databases: MongoDB, MySQL

Tools: Git, GitHub, VS Code

APIs: REST APIs

Soft Skills

Communication • Problem-Solving • Leadership • Teamwork • Adaptability • Time Management

Languages

German – Beginner (NPTEL German-I, IIT Madras)

Projects

Netflix-GPT • Built a Netflix-like movie browsing platform with intelligent recommendation logic and integrated the TMDB API to fetch real-time movie data. • Implemented secure Firebase authentication (Sign In/Sign Up) and designed a responsive UI with protected routes.	Live GitHub	ReactJS, Firebase, TMDB API
Portfolio Website • Developed a responsive personal portfolio website showcasing projects, technical skills, and achievements with a modern interactive UI.	Live	HTML, CSS, JavaScript
Food Adulteration Website • Developed a community-focused website to raise awareness about food adulteration through simple food testing methods. • Designed an interactive and responsive interface to improve user experience.	Live	HTML, CSS, JavaScript

Certifications

- **German-I (Foreign Language)** – NPTEL, IIT Madras
- **Employability Skills** – Wadhvani Foundation
- **Fundamentals of Cybersecurity** – Zscaler
- **Security Operations Fundamentals** – Palo Alto Networks
- **Introduction to Cybersecurity** – Cisco

Internships

- **Zscaler Virtual Internship** – Zscaler
 - Gained hands-on experience in cloud security, Zero Trust architecture, and secure web gateway technologies.
- **Palo Alto Networks Virtual Internship** – Palo Alto Networks
 - Explored network security, cloud security, and enterprise cybersecurity practices using Palo Alto technologies.
- **Employability Skills Virtual Internship** – Wadhvani Foundation
 - Strengthened communication, teamwork, problem-solving, and workplace readiness through industry-oriented training.
- **Blackbucks Education Internship** – Blackbucks Education
 - Completed an 8-week MERN Stack Engineer internship with hands-on training, practical assignments, and project-based learning.
